

REGIONAL Age YRS Gender & Sport TRIALS NEWSLETTER

District Officials / Secretaries & Sports Coordinators

STANDARD INFORMATION FOR ALL OFFICIALS DISTRICT SECRETARIES/ SPORTS COORDINATORS

A. SUPERVISION

Each District MUST send an adult to supervise their team(s) or individual district nominations. Officials must not leave venue until all students have been collected.

B. FORMS

1. Fully completed team lists must be emailed to the Convenor by the stated due date or if no date mentioned, no later than the Tuesday PRIOR to the trials. This is essential to ensure that accurate lists / folders are available for selectors prior to the start of the trials.
2. On the day of the Regional Trials, please also ensure that you have selection availability sheets ready to hand in at the pre carnival meeting so that any students not wanting to be considered for selection are crossed off selectors forms.

C. SCHOOL SPORT SOUTH COAST SELECTION POLICY

In order for students to be selected in a South Coast Regional team they must be in attendance at the Regional Trials. The only exception to this is where:

- Students are away at a sporting event of a higher level (in one of the sports approved by Qld School Sport). The RSSO must be notified and approve of this prior to the trial.
- Students have a medical certificate that is supplied to the RSSO prior to the trials, covering the regional trial date (Team sports only – see website for Swimming/Cross Country/Track & Field).
- If a student meets this criteria the school must contact the appropriate *Generic Application For Exemption Form*. The Regional Coach and District team officials will act as regional team selectors. Selections will be final.
